

## Lucy Security Privacy Policy

Lucy Security, the cyber security training organization that operates this Service (namely, the Lucy Security website <https://lucysecurity.com/>), understands the importance of safeguarding the privacy of all our visitors, and we take this responsibility very seriously.

The following Privacy Policy has the goal of explaining how and why Lucy Security collects, uses, and discloses any personal data shared through our Service.

You may rest assured that Lucy Security will only use the collected data for improving our Service, and we will not use or share it with any third parties, except as specified in this Privacy Policy.

**Your decision to use our SERVICE is your form of consent that we may process the personal data that we collect from you in accordance with this Privacy Policy.**

### How We Collect and Use Information

To provide a better experience of our Service, we may ask you to provide us with certain personally identifiable information, including but not limited to your name, phone number, and postal address. The information that we collect will be used to contact or identify you.

### Log Data

Whenever you visit our Service, we will collect information that your browser sends to us, called Log Data. This Log Data may include information such as your computer's Internet Protocol ("IP") address, browser version, pages of our Service that you visit, the time and date of your visit, the time spent on those pages, and other statistics.

### Cookies

Cookies are files that contain small amounts of data and commonly use an anonymous unique identifier. These are sent to your browser from the website that you visit and are stored on your computer's hard drive.

The Lucy Security website uses "cookies" to collect information to help us improve our Service. You have the option to either accept or refuse these cookies and know when a cookie is being sent to your computer. If you choose to refuse our cookies, you may not be able to use some portions of our Service.

For more general information on cookies, please read [What Are Cookies](#).

### Third-Party Service Providers

We may employ third-party companies and individuals due to the following reasons:

- To facilitate our Service;
- To provide the Service on our behalf;
- To perform Service-related services; or
- To assist us in analyzing how our Service is used.

As a Service user, please be informed that these third parties will have access to your Personal Information in order to perform the tasks assigned to them on our behalf. However, they are not allowed to disclose or use your information for any other purpose.

### Security

We value your trust in leaving your Personal Information in our care, thus we are striving to use commercially acceptable means of protecting it. However, please remember that no method of electronic storage or data transmission over the internet is 100% reliable, and we cannot guarantee its absolute security.

### Links to Other Sites

Our Service may contain links to other sites. If you click on a third-party link, you will be directed to that site. Note that these external sites are not operated by Lucy Security. Therefore, we strongly advise you to review the Privacy Policy of each website prior to using it. We have no control over, and assume no responsibility for the content, privacy policies, or practices of any third-party sites or services.

### Children's Privacy

Our Services do not address individuals under the age of 13, and we do not knowingly collect personally identifiable information from children in this age group. In the case we discover that a child under 13

has provided us with personal information, we will immediately delete this from our servers. If you are a parent or guardian, and you are aware that your child or ward has provided us with their personal information, please contact us so that we can follow up with the necessary actions.

### [Privacy Policy Changes](#)

Lucy Security reserves the right to modify this Privacy Policy as our information practices evolve. Therefore, we recommend you keep current with the contents of this page. When we make changes to the Privacy Policy, we will make sure to notify you by email or via a notice on our home page, prior to the changes taking effect.
